TECHNOLOGY WEEK CELEBRATION – 2014

Dear Sir/Madam,

It gives us immense pleasure to inform you that Seva Bharati Krishi Vigyan Kendra is going to organize its annual 'Technology Week Celebration – 2014' from 21st to 25th January, 2014 at its campus in Kapgari. In view of the Complex, Diverse & Risk-prone (C.D.R) agriculture of the district, which is one of the major barriers towards Food Security for millions of people of the district, the Technology Week Celebration – 2014 has been designed under the theme “**Intensification of small farming system towards food security**”.

Please find enclosed a copy of Programme Schedule & Tariff for contribution which gives details about the **Celebration**. May I request you to participate in the **Celebration** through putting up a stall to display the Farm Technology/Product as well as sponsoring the proposed Seminars, Training, Ex-Trainees' Meet, etc., which will benefit the visiting farmers, extension workers and development functionaries of the district. I also request you to make necessary arrangement to mobilize farmers for their participation in the **Celebration** from your operational area. It will provide opportunity for the farmers to interact with Subject Matter Specialists, Service Providers, District Line Department Authorities & other dignitaries, and expose them to different farm technology which will enhance their productivity & income.

I also take this opportunity to extend a warm personal invitation to you all to participate *Technology Week Celebration – 2014* to share your rich experience with farming and scientific community.

With kind regards,

Yours sincerely,

(Dr. Asim Kumar Maiti)
Programme Coordinator
