**Welcome Address:**

Mr. T.R. Maity, Secretary, unanimously selected as a Chairman of the programme and on the whole he presided over the meeting. He welcome to all the participating members for attending the meeting and asked for better convergence of services of respective agencies and fullest co-operation for fertile development of SBKVK with their precious implications.

**Confirmation of the Proceedings of last SAC meeting:**

The Proceeding of the last SAC meeting was read out by the Member-Secretary, and it was unanimously accepted by the house.

**Presentation of Action Taken Report based on last SAC meeting:**

The Member-Secretary presented in the house The action taken report on 10 Salient recommendations of the last SAC meeting, The honbl'e members of SAC expressed their satisfaction about the action taken.

## **Presentation of KVKs Progress Report(2013 -14) and Action Plan for 2014 – 15 :**

Dr. A.K.Maiti, Programme Coordinator, SBKVK and Member-Secretary, SAC projected the Progress Report(2013 – 14) and Action Plan for 2014 - 15 of KVK activities through Power Point Presentation which has been discussed on technological & technical aspect and has been appreciated by the house.

### **The following salient recommendation was resolved:**

- KVK should introduce a suitable paddy variety in replacement of MTU 7029 through on station trial.
- Seeds, produced by KVK and Farmers' of the Seed Village Programme should be duly certified by the appropriate authority. In this respect office of the District Agriculture department will provide full support by means of Processing Unit and technical help to SBKVK.
- KVK need to promote organic farming.
- Best technologies developed through On Farm Trial conducted by the KVK in collaboration with the farmers should be provided to the related district line departments for dissemination in large scale.
- SBKVK should popularize the tested farm machineries viz. Groundnut Decorticator, Drum Seeder, Cono Weeder Power Sprayer etc in collaboration with district line departments.
- A Project proposal for creation of a Demonstration pond in KVK and a separate proposal of financial assistance for providing Cool Box and By cycle to small Fish Hawker may be submitted to the Office of the Deputy Director Fisheries.
- Ground nut cultivation may be replaced through Crop diversification (Like Sunflower cultivation).
- Poultry breed RIR should be maintained
- Popularization of "MACCHA" method of Veg. cultivation among the farmers
- Cultivation of Gagendra variety of 'Elephant Foot Yam" at KVK farm to be done. Demand for seed rhizome to be placed before DHO, Paschim Medinipur.
- DHO, Paschim Medinipur advice for Rejuvenation of old Mango plants at KVK orchard to be taken up.
- A proposal for Protective Vegetable Cultivation to be submitted to DHO, Paschim Medinipur.
- Forest department, Jhargram agreed to purchase Vermi compost produced by KVK.
- Dr. A.K.Singh, Zonal Project Director, Zone-II, ICAR, advised the Seva Bharati authority to demand Agreement Bond (for 5 years service in KVK) from newly selected candidates for different post of SBKVK.

The meeting ended with vote of thanks to the chair by Mr. T.R. Maity, CEO cum Secretary, Seva Bharati

( Dr. A.K.Maiti )  
Programme Coordinator, SBKVK  
&  
Member Secretary, SAC
