Progress Report Presentation:

To review the progress of KVK till to date after last 11th No. SAC meeting was discussed in details in the house and this is unanimously appreciated and accepted by the house. But, some valuable suggestions came from house considering the dire need and enlightened possibilities for growing up the development. And, on the contrary, where there is an enormous scope to upgrade & modify the modern technology, as a Resource Centre SBKVK should try their level best to do so.

SBKVK assured the house to take up these valuable suggestions in near future. As a “*Demand-based Centre from Farmers, Village Workers & Folks*”, SBKVK should also have thought to request the SAC members to try fulfilling the lacuna where there have been in SBKVK progressive method. Last but not least, the house appreciated the achievement of SBKVK abound with during the reporting period. The highlights of prominent suggestions are as follows:

1. Emphasis on line showing & SRI to be given Use of Bio-fertilizer/Organic Manure/Vermi Compost in crops are to be grown
2. To gear up promotion of bio fertilizer & bio agent, verimicompost etc
3. KVK should try establish Implements Hub (Paddy Reaper, Cono Weedier, Drum Seeder, Thresher, Tractor, Power Tiller,etc) for Custom Hiring
4. Soyabean crop be introduce in suitable operational areas of KVK
5. Popularization of seed treatment assurance of critical inputs supply to be made by KVK
6. Exposure visit for farmers to be arranged
7. Emphasis to be given on publication of extension literature, Leaflets etc on modern agri practices, farm machinery & soil water management
8. Emphasis to be given on soil test & treatment in order to maintain soil health
